What is Our P&C About?

Our P&C involves people just like you— parents, caregivers and community minded people who want to help our school .

The P&C works very closely with our school towards building a stronger school community— where all children benefit!!

The P&C is about sharing skills to benefit Earnshaw. You don't need to be good at everything, just share what you have— coordinating events, money management, leadership, people skills, baking, cooking a BBQ, talking to the community, finding raffle prizes, helping at trivia nights, applying for grants, sharing your art and craft knowledge.

What is your skill?
